NEW ZEALAND  
STUDY TOUR  
AWARD 2020

The Australian Institute of Traffic Planning and Management Ltd (AITPM) values relationships with other similar organisations.

Engineering New Zealand is one of these organisations that AITPM has built a strong relationship with over many years. Since 2006 AITPM has provided recognition of this relationship via an award to attend the Engineering New Zealand Transportation Group Conference (ENZ TG Conference).

The New Zealand Study Tour award covers the conference registration costs and reasonable travel and accommodation expenses for one AITPM member to attend and accommodation costs for an additional two days in the conference city. The ENZ TG annual conference is New Zealand's premier forum for traffic engineering, road safety and transport planning. The Award provides a great opportunity to enhance our relationship, while also fostering knowledge sharing and building.

The ENZ TG annual conference is New Zealand's premier forum for the traffic engineering, road safety and transportation planning community.

It is intended to stimulate debate and collaboration amongst peers. Around 200 professionals attend the annual event, which has been running for more than 40 years.

The 2020 conference will be held in Christchurch Town Hall, 10-13 March 2020.
