

AITPM Membership

The **Australian Institute of Traffic Planning and Management (AITPM)** is the peak body for traffic and transport practitioners in Australia and, thanks to our concentration of focus and the quality and level of engagement of our members, we have developed a niche position within the industry.

Our members engage with the Institute through extensive professional development and networking opportunities.

AITPM Member Profile

Our membership – currently over 850 – includes all levels of practitioner, from graduates to business owners and executive directors, with equal representation across all age groups. Generally characterised as decision makers, AITPM members practice in the fields of:

- Engineering;
- Planning;
- Environmental Sciences;
- Social and Behavioural Sciences;
- Law Enforcement;
- Education;
- Insurance;
- Administration; and
- Economics.

Our members are active and engaged and, through our website, events and newsletters, are exposed to consistent and extensive industry news and professional development opportunities.

Membership of AITPM is open to those who:

- hold formal academic qualifications associated with transport planning or traffic management gained from a recognised tertiary institution and who have been practicing in the field of transport planning or traffic management for at least one year.
- or
- have had appropriate experience for a period of at least three years in the field of traffic planning or traffic management, including research, gained through a recognised organisation, and are actively practicing in the field of traffic planning or traffic management.

Additional membership opportunities are available for students, retired practitioners and corporate organisations.

Membership Benefits

AITPM members benefit both directly and indirectly including through:

Corporate Membership

Corporate organisations, local and state government agencies, small businesses and associations with links to the transport planning or traffic management sector are encouraged to take up a corporate membership of AITPM.

Corporate membership encourages best practice for staff and provides important professional development opportunities across the entire spectrum of the industry that might not otherwise be available to staff working within one particular sector.

Employees of AITPM Corporate Members are able to take full advantage of access to skills and knowledge through state and national events and through attending these events and accessing AITPM's critical news and trends updates increase their expertise and sector knowledge.

This up-skilling of staff benefits the member organisation directly whilst also allowing the organisation to demonstrably contribute to the development of the industry in which they practice.

All Corporate Member organisations are listed in our Member Services Directory to provide additional promotion of their participation and particular services.

Open to government agencies, companies, associations and business entities working in related fields. Corporate memberships are available for three staff and up.

Corporate Membership x 3 Representatives – \$730.00

Corporate Membership x 5 Representatives – \$1065.00

Corporate Membership x 10 Representatives – \$1920.00
